3Dconnexion 3D Mice Coming to Second Life

Linden Lab's support of the SpaceNavigator 3D Mouse brings new levels of direct control and immersion to the Second Life Grid platform. Today at the Virtual Worlds Conference and Expo, 3Dconnexion, a Logitech company, announced that its 3D mouse product line will be supported by the Second Life Grid®, the platform behind the popular online 3D virtual world created by Linden Lab®. 3Dconnexion's 3D mice – including the award-winning SpaceNavigator™ – will be supported by Second Life beginning in mid-April,
